

**Category:** quadrant(s) of the labyrinth this project traverses:

**Tags:** particular topics this project addresses and/or methods it employs

**Featured image:** image to appear in gallery

## **Project Title:**

Narrative about the project, including the **occasion**, the **relevant history** and the **material context** for the project.

## **Challenges**

Narrative about the challenges facing this project and how you met those challenges, including an assessment of any missteps/failures.

## **Process**

What steps went into your preparations for this process? Who were your collaborators? What supplies were needed? What was the cost?

## **The Main Event**

What did the main event look like? This is where media such as agenda/bulletins, photos, audio/video are most helpful, with the goal of helping someone else adopt and adapt your event in another context.

## **Evaluation**

What feedback did you receive? What effects have you observed? Share any evaluation tools you may have employed.

## **Ideas for Adaptation**

Suggest some ways you might imagine this project being adapted for a different context.
